Re: Pre-qualification Approval
Federal Tax ID# 06-1332045

Dear Mr. Beckerich:

Based upon the information furnished on your Pre-qualification Application, the New York City School Construction Authority (SCA) has pre-qualified your firm to submit bids/proposals for SCA projects for a period of three years until **December 29, 2024** for the following trade: **Laboratory & Testing Analysis** (37100).

Pre-qualification does not mean that your firm will automatically receive a contract for work with the SCA. Your pre-qualification status allows you to compete for business on SCA projects as a prime and or sub-consultant within your approved discipline.

Although your firm is pre-qualified to submit proposals for the aforementioned discipline(s), it also must meet the specific technical requirements, if applicable, for each SCA project. You are to refer to the SCA project specifications for additional required experience and certifications. In that regard, we encourage you to visit the SCA's website on a regular basis. Using the following link to our "Competing for Business" page, you can stay informed about upcoming projects and learn of opportunities for your firm to receive SCA requests for Proposals:<http://www.nycsca.org/Business/CompetingforBusiness/Pages/default.aspx>

In addition, we note that your firm will be subject to a full responsibility determination at the time of consideration for any specific contract award

Furthermore, we remind you that your firm's status as a pre-qualified firm is always subject to review. You must submit in writing to the NYCSCA any substantive changes to your Pre-qualification Application as soon as possible, but no later than (30) days of said change(s). Substantive changes include, but not limited to, key people, ownership, court proceedings, investigations, bankruptcies, etc.

If you have questions regarding your status, please call the Pre-qualification Division at (718) 472-8777.

Very truly yours,

Sarah L. Sinclair
